# How to start classes with Nihongo Net?

## Noriko at Nihongo Net

First of all, thank you very much for your interest in Nihongo Net teaching courses.

If you are thinking of learning Japanese with Noriko, please first of all call me or send me a message to [info@nihongonet.com](mailto:info@nihongonet.com) to book a free assessment chat. This will be conducted on Zoom, and a 30-45 minutes session will be given at free of charge. Once your aims and current level are assessed, you can start booking a lesson with me.

Four lesson fees shall be prepaid 24 hours prior to the first class you are booking. This calculates approximately a month fee. Once your payment is confirmed, I will initiate the Zoom classes with you. Fees are refundable at anytime.

Cancellation is free as long as it is made 48 hours prior to the actual class. I look forward to teaching you soon!
